Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this new local plan of 50 homes as I believe it would put extra pressure on our small village environment in relation to local services ie schools ,health care and water stress with regards to our changing environment, There would be increased traffic and road safety concerns. There would also be a loss of rural character in Higham through overdevelopment which Higham residents do not want .

Kind regards
