Reasons for comment:

Comments:	I am very much against this application. I have lived at this address for 60 years and seen the huge expansion of population in this area without the similar development of the infrastructure. A water ban was served upon us in the spring and is still in being. The lanes are desperately overcrowded, dangerously so by the lack of parking. For example Whitepost Lane now hosts a large increase of traffic from the expansion of Vigo Village, inconsiderate parking and speeding by oversized cars, vans and lorries. There is no policing. The police station was closed in company with many others some years ago. The A227 has become a freeway to heavy traffic travelling between the M2 and M20. Whilst I understand the need for new housing, residents should not be put at risk, nor in danger. It is tragic that farms, farmland and green belt land are being sacrificed. Yours faithfully, [REDACTED]
