Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to this planning application on the following grounds. Loss of trees, natural habitat and important green space which characterises Windmill Hill. Removal of wall and railings. Design not in keeping with neighbouring Victorian and Edwardian properties. Detrimental effect on adjacent Veterans Club. Parking already a problem for residents in the road. Moreover, why did GBC consider it acceptable to sell off this open space in this our town's very important Conservation Area?
