| Comments: | Development in this area will merge the villages of Meopham and Sole Street. The roads in the area will become clogged with traffic and the local shops, schools, doctors, dentist and vets etc will be over subscribed making life difficult to those who moved into this area for a quieter and more peaceful life. |
| | Please do not approve this development and instead choose sites that are not green and growing crops. Please develop areas that are no longer being used, fill in vacant plots between existing houses and knock old office blocks or factory buildings down and start again with those spaces. |

Kind regards
