Reasons for comment:	
Comments:	Stop trying to ruin the beautiful countryside around us. Habitats to animals and birds all to be ruined. Why on earth would you ruin such beautiful places when you have so much derelict and grey areas in Northfleet and Gravesend which are such an eyesore. Build on these areas first and leave the fields and surrounding areas of beauty alone. We need these fields to grow our crops to feed everyone. Next thing we know we will be importing grain and vegetables from other countries because we have nowhere to grow them. Come on this is common sense!!!!!!

Kind regards
