Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this proposal. This is a great community area where the neighbours look after each other and protect where we live. We have dealt with break in and car break ins and shared camera footage and even confronted those breaking the law. To pit us at a higher risk by building this centre seems unfair and unjust, especially in view of the higher band of council tax we pay. What are you thinking really? Utterly ridiculous and I will fight it all the way.

Kind regards
