Reasons for comment:	
Comments:	<p>Negative visual impact on adjacent conservation area Dangerous access to housing near a junction and very busy shopping area This is a large farmland site fully used for food production The parade of shops is already an accident black spot Additional strain on already stretched GP and NHS services The amount of traffic coming into the village for the schools is already a problem with tailbacks daily in both directions. The A227 is already used as a cut through when the A2 is jammed. Proposal is on Green Belt land which has not been released. Adjacent country lanes are unable to cope with increased volume of traffic.</p>

Kind regards
