Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The house development will add a volume of traffic which the existing road and transport infrastructure just cannot handle. Opposite the development, the parade of shop already has problems with parking and the ability to drive onto Wrotham Road safely is already difficult. With the new houses this will exacerbate the situation and make an already difficult driving situation dangerous.
The land is greenbelt and needs to remain that way. The area of natural beauty will become part of an urban sprawl and connect Meopham with Sole street. These are two separate villages and should remain that way.
The addition of street lighting will damage the clear skies at night and affect the status of outstanding beauty and the surrounding wildlife.

Kind regards
