Reasons for comment:	
Comments:	Dangerous access off a busy road with added risk of parking for two schools, as well as heavy vehicles going to weigh bridge at Green Street Green. Speed limit is currently 50mph Loss of rural landscape and views of character buildings (Oast House) Impact on children, especially those attending Helen Allison a specialist Autistic School. High Grade (2) Agricultural land Still Green Belt in the Local Plan and what is the point of a local plan if it means nothing and cannot protect the countryside. The road is already busy with vehicles parking along the roadside already causing poor traffic flow.

Kind regards
