Reasons for comment:	
Comments:	<p>This will cause a dangerous volume of extra traffic placing people at risk. It will cause extra congestion making people's school runs and journey to work extra long. In a time where we spend so much time away from our families and home I don't feel this additional time is good for anyone's mental health.</p> <p>Access to local schools and resources including those that cater for vulnerable and neurodiverse will be reduced and harder to access.</p> <p>It will destroy the reason many of us move to Meopham away from the built up areas.</p>

Kind regards
