Reasons for comment:	
Comments:	<p>I strongly object on overcrowding and safety concerns. This part of the village is extremely busy particularly during school times. Facilities are already overstretched and roads at a dangerous level. I've personally witnessed impatient drivers carrying out dangerous manoeuvres in an attempt to get through the congestion, this is particularly worrying for parents and children travelling to and from the schools. The schools, roads and other local facilities are already very overstretched and just not suitable for further developments of this type.</p> <p>Please, do what is clearly the right and sensible thing and turn down this application.</p>

Kind regards
