Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This development would cause the unrestricted sprawl of a built up area with inappropriate encroachment into the countryside. It would lead to the loss of special character of the village. There is inadequate public transport provision with risk to highways and pedestrian safety. Increased traffic congestion will generate unacceptable levels of noise and air pollution. Additional strain on already overstretched GP and NHS services. This is greenbelt land which has not been released from the Greenbelt boundary. This is a large farmland site fully used for food production.
