| Reasons for comment: |  |
| Comments:            | <p>The Wrotham Road at this area is extremely busy for most of the day especially during school time pick up making travel along it quite hazardous.</p> <p>Adding considerably more traffic at the Green Lane junction will put further pressure on drivers and create more hazard.</p> <p>The siting of this development would be a mistake.</p> <p>Further it is a mistake to build on fertile agricultural land.</p> |

Kind regards
