Reasons for comment:

Comments: Further to my previous comments I can add that a few times lately people using the shop are parking in Portland Avenue illegally on dropped kerbs preventing residents getting access to, or from, their garages. Other cars parked on our dropped kerbs albeit not for using the shop have been reported to Medway Police who have contacted the relevant driver and forced them to move it and park in a legal location. Are you going to allow this practice to continue and potentially get worse and have a significant negative effect on your Gravesend residents? You have to consider all the local residents above a single shop owner. I notice there are some supporting this application but I ask you to look at how many of them live nearby. I continue to strongly object to this application. Thank you.

Kind regards
