Windmill Street,
Gravesend,
Kent DA12 1AU

March 2025

Attention: Planning Department

Dear Sirs,

Re: Retrospective Installation of cooling mechanical plants serving Arya Food Centre

Planning permission is being sought for the installation of compressor units to service the premises at 159-161 Parrock Street, Gravesend DA12 1ER (hereafter referred to as 'the site'). The property is a traditionally built two-storey building in the Borough of Gravesham. It is located in a mixed-use area with a large car park opposite and residential properties directly above.

We would be grateful if you could contact me direct for the planning application.

We would be pleased if you would process this application as soon as possible, and if there are any matters that require clarification or revision to render the proposal acceptable, or if you cannot support the proposal please contact me before a decision is made so that I have the opportunity to try to resolve any issues that you may have. This is a reasonable request in accordance with best practice.

Yours faithfully,

Yusuf Samet Aydın
