Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Absolutely object to yet another fast food franchise opening in an area with already overwhelmed parking and infrastructure due to the local schools and park. This will have an astronomical bad effect on woodlands Park with antisocial behaviour and littering throughout the park, which we as the council tax payers will pay for. There is no need for a third McDonald's in Gravesend, it is absolutely against all healthy eating incentives schools and councils claim to promote. McDonald's hire you gsters on zero hours contracts and treat them abysmally, so this won't even positively effect jobs in the area. This road cannot cope with the increased traffic and foot traffic that is likely to be seen. This needs to be used as a restaurant as it previously was, not a fast food takeaway

Kind regards
