Reasons for comment:	
Comments:	I strongly object to this potential new development. We do not have the infrastructure to support all of these new homes. The doctors do not have capacity, and the local hospital dareth valley is already struggling. It will have a negative impact on local wildlife. The traffic will be significantly increased in the area, causing even more congestion in peak hours. It will impact the character of Meopham. This is a village not a town.

Kind regards
