Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object because: 1) no pedestrian pathway during construction, assuming entry to the site by lorry's will be from School Lane, Taylor's Lane being too narrow. 2) School children will be at risk due to 1 above. 3) Higham no longer has a GP surgery. 4) additional traffic through the village. 5) additional pressure on services such as water supply, traffic/roads. 6) why does everyone want to concrete over this part of the world? 7) additional pressure on school places. 8) where will all these developments end? When Higham is part of London?

Kind regards
