Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Cumulative Impact on Village Life The cumulative impact of this proposal for 725 dwellings off Norwood Lane, Meopham, together with other developments in the surrounding areas, will inevitably erode the quality of life for existing residents and future occupants alike. Loss of green space, increased pollution, pressure on schools and healthcare provision, worsening traffic congestion, and the gradual erosion of village character are all foreseeable and irreversible consequences should this application be approved. I strongly object to this application and urge GBC to consider the impact of what is essentially an annihilation of our local countryside.

Kind regards
