Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Completely wrong use of prime greenbelt land. It would merge Sole Street parish into the main Meopham area. The drains around the local area always overflow with any rain so further risk of flooding. Loss of wildlife habitat. There is a huge lack of local public transportation. No Sunday buses, no buses to serve people working late, very irregular and unreliable. The will add a huge strain to the local road networks, every house would have at least 2 cars for a working family to be able to get anywhere as it's not walking distance to amenities. Local doctors have already said they are operating at over capacity. This with several other large development schemes proposed have to be looked at together at how it would overwhelm what is and should stay a village !

Kind regards
