Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: Since the original consent was granted the car parking in the street surrounding the property has become intolerable. What was already an area plagued with lack of parking has now become unworkable by illegal parking on junctions and pavements creating untold hazards. We have photographic evidence to support our claims should you wish to view. (unable to attach)
This is of course a major bus route.

Kind regards
