30th November 2021

Dear Sirs,

Reference : 20080216/RJH/JF
Change of use of 77 Wrotham Road DA11 0QB

This property was granted consent for change of use to one bedroomed maisonette back in August 2008 but a commercial tenant came forward and took the property before conversion work commenced. Unfortunately that business had to close and the property is now vacant with little chance of supporting a successful business.

I feel it is now appropriate to change the shop to residential use as several similar properties have already done nearby. The only visible change to the exterior will be a new domestic upvc door and smaller front window with new rendered brickwork to match the alley entrance next door.

My mobile telephone number should you have any query is 07525 005766.

Yours Sincerely,

Andrew Harvey
