Reasons for comment:	
Comments:	My objection is to the proposed garage. It would curtail light to the properties across The Street. Currently egress on to The Street is difficult as the driver has to come out on to The Street in order to see traffic approaching from either direction. Daily, vehicles mount the pavement outside The Old Post Office property, as drivers haven't given way at either end of The Street and end up unable to pass. Large delivery vehicles to the shop park on the pavement at junction of The Street and Lawrence Drive and wheel down their delivery as there is little manoeuvrability from car park on to The Street. There is considerable land to the rear of No. 34 for a garage to be erected.

Kind regards
