Reasons for comment:

Comments:	<p>1 This proposal will add to what is already a dangerous junction of narrow roads and people looking to park in the adjacent shopping parade.</p> <p>2 The A227 is narrow for an "A" road and heavy traffic uses it on a daily basis. It is a rat run between the A20 and the A2 so when an incident occurs it causes considerable major disruption to anyone using it. Adding a potential 700 to 800 cars for this proposed development is going to make it worse. There are no alternative routes for people to use so the area becomes gridlocked sometimes even for days. Don't add to the problem.</p> <p>3 Yet more prime agricultural land is proposed to be taken which can never be returned.</p> <p>4 This will have a big impact on this rural area visually that is adjacent to Camer Park</p> <p>5 Local services will be worsened in the area by a population increase of 1000 +</p>
