Reasons for comment:	
Comments:	The idea of further vehicular access adjacent to the parade of shops in Meopham is wholly impractical for current and future residents aswell as those passing through. Already I bare witness daily to built up traffic, potential hazards/accidents on exit and entry to the shops parade and a danger to pedestrians crossing the road who already have limited access to options in the area. I am not objecting to growth in the area, but this choice of land is not well thought out at all. If anything more needs to be done to reduce vehicular access in this area of Meopham, not add too it.

Kind regards
