Comments:	<p>i have to park on longfield road regularly.the house that i work at,has no drive or parking space in front of it.all the others are taken by householders and school staff who also park on the road.</p> <p>often i have had near misses with speeding traffic,while trying to cross the road with machinery.</p> <p>that will increase with building houses there and the traffic volume.</p> <p>our doctors surgery is hard enough to try and get an appointment now.what is going to be like with all these houses.</p> <p>still would like to know why YOU allowed flats to be build on the battle of britain site,when YOU said they had to build the pub again.</p>
