Reasons for comment:	
Comments:	<p>Meopham is a linear rural village with many narrow roads leading onto the A227. The A227 links the A2 and the M26. At busy times, at present, it is difficult to turn onto the A227 due to weight of traffic i.e. school opening times and 3.30 to 5.30. The exit from this housing development is via a narrow lane. Potential 600 extra cars going to and fro (two per house) will cause major chaos .</p> <p>This field as are many others in Meopham, is used for food production. We are an island and should be looking at our food security and not building on prime agricultural land. [REDACTED] will not be able to eat concrete . We should not be reliant on Russia and East Europe</p>

Kind regards
