Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Inappropriate use of current farm land which is in use. Too close to a special needs school. Proposed access in a dangerous position close to shops and schools. Longfield road is a narrow busy road with a 50 mile an hour speed limit and parking on the road on both sides. All the schools in the area are over subscribed, there is already a lack of GP's. The 227 is over used and subject to frequent road collapses, during school pickup times it becomes grid locked. There are already problems with the water supply/sewers and these will only increase with additional vehicles using the road and a larger population. Meopham is a village and should never be increased to the size of a town.

Kind regards
