Reasons for comment:	
Comments:	This is already an overused and dangerous area. Additional traffic will only lead to more accidents. This farmland is in use and we need to keep it for the production of food. The A227 is congested during school pickup times. The schools in the area are over subscribed and there is a lack of GPs. The A227 is subject to flooding, large holes appearing without warning, the sewers and water supply are inadequate. Meopham is a village and not a town and should be kept that way

Kind regards
