Reasons for comment:

Comments:	<p>I object as I don't think that building on what is at present agricultural land is in any way beneficial to this country. Agricultural land will also become even more necessary to us in the future.</p> <p>The adjoining roads are unsuitable for any increase in traffic, especially Norwood Lane. There is rarely room to park at the local shops even at the moment.</p> <p>The doctors will be unable to cope with the increase in patients; I estimate conservatively at 450 more people (three per house).</p> <p>Also, I think it very important that this application is not viewed in isolation. There are at the moment two other applications in the vicinity and the cumulative effect that 620 houses and, say, 1,860 people will have will result in a community that will not be able to cope in all instances.</p>
