Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application because of the certain destruction of countryside and to wildlife . The local roads, shops and public services won't be able to cope with the added population . It will create dangerous road conditions throughout the a227 and create an increased accident black spot outside the camer parade shops. This is a large farmland site for the production of food which will be destroyed. It will create dangerous access to the site from the local roads and lanes .

Kind regards
