Reasons for comment:

Comments:	<p>A development of 350 houses here will have approximately 700 extra cars entering and leaving onto a very busy road!</p> <p>As well as a Conservation area, this is a food production farmland site - where will this be grown then? I suppose will lead to more importation. What happened to Kent being the Garden of England?</p> <p>There is not enough parking for the shops and schools now! Where will all the additional traffic park? The parking at present is chaotic at certain times of the day!</p> <p>When the Lower Thames Crossing is built, it should be taken into account that this will increase the traffic on the A227.</p>
