Reasons for comment:	
Comments:	I feel the surrounding lanes are all too narrow to take the increase in traffic, with possibly 300 extra vehicles using it daily! That is without delivery and service vans, especially now that everyone uses the on-line delivery services. Why do they want to build on Green Belt when there are many Brown Belt sites? They were Green Belt for a reason! High grade farmland contributes to food production, bear this in mind please.

Kind regards
