Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this application because it is on high grade farmland required for food production. It is on green belt land. It would severely impact the natural landscape.</p> <p>300approx extra cars having access to Norwood lane would be very dangerous. It is a very narrow rural lane with few passing places.</p> <p>Many children live in the lane which has no pavement for most of it.</p> <p>There would be a high risk of flooding due to the field being being a natural soak away at</p> <p>The moment. Norwood Lane already floods in medium to heavy rain and this development would threaten the many houses and cottages that border the lane.</p>

Kind regards
