### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<ul style="list-style-type: none"><li>- the traffic exit from Norwood Lane onto Green Lane and from Green Lane onto A227 is already dangerous and will be made more so with such an increase in traffic.</li><li>- farm land used for food production. Why are we destroying our natural resource?</li><li>- with other local planning applications, this vastly increases population of Meopham and traffic in the area. The road rail and health infrastructure is inadequate.</li></ul>

Kind regards
