Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Looking at the west elevation drawing it would appear that the gradient of the land in between the land adjoining Willow Wood House does not match the current property profile between Blubbells and land adjoining Willow Wood House having been levelled prior to application. It would appear from looking at the west elevation that footprint of the proposed detached garage is extremely large and out of proportion with the dwellings and could be the subject of a further planning application to which I would object. The proposed garage would appear to include a hard standing in front of the proposed 2 dwellings for 6 vehicles, this is not acceptable and out of context and not in keeping with the footpath location at this point of Willow Walk
