Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am objecting to the recent proposal concerning [REDACTED] there has never been a 2A Stanbrook Road and this is only going to cause complications for emergency services, visitors and postal service, while the owner of the shop and flat (42) also own a property across the road and rent another across the road, so they will get minority of the votes they would get as the letter would go out to them

Kind regards
