

Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area.

Town and Country Planning Act 1990

**Publication of applications on planning authority websites.**

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

**1. Trees Location**

|                                                                                                                                                                                                      |                                                |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|
| Number                                                                                                                                                                                               | <input type="text"/>                           |
| Suffix                                                                                                                                                                                               | <input type="text"/>                           |
| Property name                                                                                                                                                                                        | <input type="text" value="Hill Glen Cottage"/> |
| Address line 1                                                                                                                                                                                       | <input type="text" value="Park Avenue"/>       |
| Address line 2                                                                                                                                                                                       | <input type="text"/>                           |
| Address line 3                                                                                                                                                                                       | <input type="text"/>                           |
| Town/city                                                                                                                                                                                            | <input type="text" value="Gravesend"/>         |
| Postcode                                                                                                                                                                                             | <input type="text" value="DA12 1NS"/>          |
| If the location is unclear or there is not a full postal address, describe as clearly as possible where it is (for example, 'Land to rear of 12 to 18 High Street' or 'Woodland adjoining Elm Road') |                                                |
| Easting (x)                                                                                                                                                                                          | <input type="text" value="565312"/>            |
| Northing (y)                                                                                                                                                                                         | <input type="text" value="173160"/>            |
| Description                                                                                                                                                                                          | <input type="text"/>                           |

**2. Applicant Details**

## 3. Agent Details

No Agent details were submitted for this application

## 4. What Are You Applying For?

Based on the type of work proposed and the location and protected status of the trees involved, there are various details and supporting information that will need to be supplied in order for the Local Planning Authority to determine the application.

Are you seeking consent for works to tree(s) subject to a Tree Preservation Order? ☒ Yes ☐ No

Do you know the Tree Preservation Order reference number(s) ☐ Yes ☒ No

### For works to trees covered by a TPO

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application MUST be accompanied by the necessary evidence to support your proposals (see guidance notes for further details).

1. Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall ☐ Yes ☒ No

2. Alleged damage to property - e.g. subsidence or damage to drains or drives. ☐ Yes ☒ No

Are you wishing to carry out works to tree(s) in a conservation area? ☒ Yes ☐ No

### Documents and plans (for any tree)

A sketch plan clearly showing the position of trees listed in the question 'Identification of Tree(s) and Description of Works' MUST be provided when applying for works to trees covered by a Tree Preservation Order. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes).

It would also be helpful if you provided details of any advice given on site by an LPA officer.

Are you providing additional information in support of your application (e.g. an additional schedule of work for question 'Identification of Tree(s) and Description of Works')? ☐ Yes ☒ No

## 5. Identification of Tree(s) and Description of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out.

You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work.

Where trees are protected by a Tree Preservation Order, please number them as shown in the First Schedule to the Tree Preservation Order where this is available. You should use the same numbering on your sketch plan (see help for sketch plan requirements).

Please provide the following information:

- Tree species
- The number used on the sketch plan); and
- A description of the proposed works.

Where trees are protected by a Tree Preservation Order you must also provide:

- Reasons for the work; and where trees are being felled
- Proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

e.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with one standard ash in same position.

- |                                                                                                                                                                                                                                                                        |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| T1. Mature Horse Chestnut tree adjacent to the rear right boundary & to the rear of no. 19 Parrock Avenue<br>- Reduce the height by approximately 4.5m -5m to suitable live secondary growing points retaining a natural 'domed' crown appearance ensuring all pruning |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## 5. Identification of Tree(s) and Description of Works

cuts are made to live secondary growing points or branch unions

- Remove all the arisings from this operation from site

Reasons for works: More light to the client's/neighbour's gardens & property's & to minimise possible future branch/limb failure

T2. Lime tree (previously Pollarded) adjacent to the rear right boundary & to the rear of no.17 Parrock Avenue

- Reduce to pollard at approximately 8m to the vicinity of the previous Pollard points, effectively removing all vertical growth to the main framework to allow for regeneration, whilst retaining the original scaffold framework to retain the overall health, structure & amenity value of this tree.

- Remove all the arisings from this operation from site

Reasons for works: More light to the client's/neighbour's gardens & property's & to minimise possible future branch/limb failure

T3. Mature Sycamore tree (previously Pollarded) adjacent to the rear right boundary & to the rear of no.17 Parrock Avenue

- Reduce to pollard at approximately 8m to the vicinity of the previous Pollard points, effectively removing all vertical growth to the main framework to allow for regeneration, whilst retaining the original scaffold framework to retain the overall health, structure & amenity value of this tree.

- Remove all the arisings from this operation from site

Reasons for works: More light to the client's/neighbour's gardens & property's & to minimise possible future branch/limb failure

## 6. Tree Ownership

Is the applicant the owner of the tree(s)?

☐ Yes ☒ No

If No, please provide the address of the owner (if known and if different from the tree location):

### Name/Company

Title:

First name:

Surname:

Company name:

### Address

Number:

Suffix:

Property name:

Address line 1:

Address line 2:

Address line 3:

Town/city:

Postcode:

### Contact Details

Primary number:

Secondary number:

Fax number:

Email address:

## 7. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

## 7. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

## 8. Trees - Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them. ☒

Date (cannot be pre-application)

05/10/2021
