Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application. They had a temporary stay application extended for 3 years. They have already paved the area in question under the guise of a parking application. It should be obvious to all this was the ulterior motive. Fencing has already been erected. This application should be rejected or will set a dangerous precedence. If this is granted it will show that the rules are different to the majority of us that are law abiding citizens.

Kind regards
