Reasons for comment:

Comments:	<p>I object to this proposal due to the major flooding of all the roads in the area, the roads that will be used to get to these properties is absolutely beyond busy Traffic lights hours delay A2 is at a standstill almost every other day which then backs up to all the other smaller roads</p> <p>It' would be a disaster for everyone that uses the roads</p> <p>It is a very small A road that was not designed to use so much traffic in some places two lorries cannot pass each other properly</p> <p>Also the doctors would not be able to take on all the new residents as no one can get an appointment now so to add more people would be dangerous to the residents that live there now</p>
