Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will forever change the overall character of the village. In addition, the high volume of additional traffic will have a devastating effect on the community. Also, there are insufficient amenities at the local schools and doctors to support this huge population increase-I moved in [REDACTED] and I still can't register with the local dental practice.

Kind regards
