Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Work previously carried out on this property has caused significant disruption and upset to the other residents. This includes a collapsed kitchen ceiling, flooding multiple times and other work carried out which was left incomplete after many months of requesting this to be fixed. We therefore object to this work being carried out as we know based on our previous experience this will not been done professionally and will cause severe disruption, stress and anxiety. We are leaving this comment anonymously as we do not want any repercussions.

Kind regards
