Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	In relation to the proposed bungalow in Hillside Drive. I strongly object to this, as do other residence, on the grounds that it is an over development of the site together with the other applications. This development would greatly increase traffic flow on a very narrow road. Plus the fact exiting onto old road east with restricted view is very dangerous.

Kind regards
