Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am completely against the application to build on this plot of land or any green belt land in this area. It will put alot of pressure on infustructure such as roads, schools, traffic, parking, doctors surgeries and utilities that are already stretched. You can barely get a doctor's appointment as it is without adding more houses to the area. And there are not enough school places for everyone. It is destroying vital green belt land that should be used for farming. It will destroy the village that we all love. It will have a negative impact on the wild life which should be presevered not destroyed!

Kind regards
