Reasons for comment:

Comments:	The site is not appropriate for a travellers gypsy camp. The land is not supposed to be built on or lived on, so why are they there. They have caused terrible damage to the trees along the lane as they hacked back and felled anything that stopped their large mobile homes getting along the lane to the site. They have put up perimeter fences and solid gates which is also not permitted. There is also increase mud and debris along the lane as a result of the work they are doing to their fields spilling back into the lane. There are barking dogs and young dogs escaping and nearly being run over by traffic in White Post Lane. The Sole Street community is asking Gravesham why these mobile homes are being allowed to set up a camp, with more arriving all the time, when this group of people are not following the rules that the rest of Gravesham residents are obliged to follow.
