Reasons for comment:	
Comments:	Building houses on that plot of land is going to be a nightmare to everyone in the village. Getting in and out of the village is a joke as it is. Not only that it's a small rural village NOT London. All people want to do these days is build on our countryside, what about the poor little animals. Seeing poor little foxes walking down the street in broad daylight isn't that telling you something. Leave our little villages alone.

Kind regards
