Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	As you know from the outrage towards the previous planning permission request, the community are against this site becoming a McDonald's. Outside of that, the idea of putting a big illuminated m on a residential street next to a park is obscene. This will clearly cause significant light pollution that will impact the residents who live opposite AND the impact on the wildlife in the park from having this on constantly will be negative.

Kind regards
