Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	If you take away the parking for residents on Chequers street and Church Street this will make residents life very difficult, we already have people parking up church street that are using the station, most of us do not have drive ways and it is not fair to favour big company because they want large trucks to have access to their site, the country lanes are not built to take this type of traffic and also dangerous for local residents, we pay our council tax and expect equal rights when dealing with big businesses, we need to be treated fairly, this is where we live and I do hope you will take our objections seriously

Kind regards
