Comments:

The proposed extension to No.18 will impose on [REDACTED] driveway. It will leave a gap of just over 6ft for [REDACTED] to access vehicles on and off [REDACTED] driveway, with brick walls either side. Should I manage to get on [REDACTED] driveway, I will not be able to open the vehicle doors due to the proposed wall of the extension, people will struggle to get in and out of any vehicle. The whole area will become very enclosed and will not be in keeping with the open plan look of Saunders Close.

I have 2 windows on [REDACTED] side elevation and the proposed extension will cut the light to these rooms.

The area directly in front of No.18 is not a parking area. At the moment No.18 has two parking spaces next to the house, if this area is used to build an extension where will the designated parking be? A four bedroomed house without any parking will cause issues.

The block plan is incorrect. The grass area on the left is split down the middle between 18 & 19 therefore, the area proposed for the extension is incorrect. I have mentioned this to the owner.

Kind regards
