Reasons for comment:

Comments: I was not asked about this application and see it as a done deal. The cake shop/ coffee shop was fine caused no problems. A fried chicken outlet is a totally different situation. It is clearly looking to attract school children who need to be eating unhealthy food like a hole in the head! Now it is proposed to have a delivery service, more traffic, noise and rubbish added to a road that is one of the busiest and congested the area. I do not think this has been thought through at all.

I have lived at my address for over forty years and have seen the road get more dangerous , with loads more traffic, speeding and regular accidents.

Kind regards
